

INTERNSHIP AT GUARDIAN-SRM

ABOUT US

Guardian-srm is a highly specialised security solutions provider. Based in Denmark since 2005 and working all over the world, we offer individual security solutions and security risk management systems in support of international organisations in complex environments.

Our core services:

- Risk Advisory
- Training
- Crisis Management
- Operational Security

THE INTERNSHIP

We offer unpaid full-time internships starting from September 2022 for a period of minimum four months at our Copenhagen office. As part of our team, you will gain valuable insight into the operational part of security risk management, be assigned challenging tasks, and gain unique experience with security in middle-, high-, and extreme-risk countries.

YOUR ASSIGNMENTS

As an intern in Guardian-srm you will undergo an onboarding program where you will touch base with Guardian's various business areas. After the initial phase, you will contribute to ongoing projects within Guardian. This will include everything from country analysis, crisis management exercises, corporate security policies, and threat assessments, to new market analysis, open-source research, and a variety of ad-hoc tasks. Furthermore, you will assist in the preparing, executing, and evaluating of training for our clients. About 15 days of travel within Denmark should be expected.

ABOUT YOU

We are looking for enthusiastic, self-driven individuals, who value great teamwork and have good social skills. We want someone who is analytically strong, highly motivated to learn, thrives on challenges, and is interested in security, international affairs, and OSINT research. You should be able to work well under pressure and be adaptable when circumstances change. We expect that you are equally open to complex tasks and practical assignments, and it is a plus if you have flair for project management. We expect that you are enrolled in a relevant academic programme and that you have excellent written and spoken English skills. Fluency in Danish is not necessary.

APPLICATION

Please apply for the internship position **by Monday, 18 July at 23:59** by sending a short motivational letter and your CV in English, grade transcripts, and the period you are available for the internship, in one document to Office Manager Vivi Brunke at vib@guardian-srm.com. Applicants are accepted on a rolling basis.

For further information about the internship, please contact Emilie J. K. Toppenberg at emt@guardian-srm.com.
