

WORLD ECONOMIC FORUM 2026

January 19 – 23, 2026

DAVOS, SWITZERLAND

GROUND TRANSPORTATION TO & AROUND WEF2026

Ensuring continuity, mobility, and confidence during one of the world's most complex events

GUARDIAN AS A SECURE TRANSPORTATION PARTNER

Reliable

- Providing protective, risk management and security consulting services since 2005.
- Nordic roots, global reach.
- Over 15 years supporting international clients during the WEF.

Safe

- Threats, vulnerabilities, and risk ownership are clearly defined through an enterprise risk management-based methodology
- Mitigation measures reflect the client's operational context, culture and available resources.
- Balanced and efficient coordination of personnel, procedures and technology.

GETTING **TO** DAVOS BY CAR

Common itineraries

- Most international participants arrive via **Zurich Airport (ZRH)**.
- Private and charter flights may also use **St. Gallen–Altenrhein Airport (ACH)**.

Approximate drive times

- Zurich Airport → Davos
2 hours (158 km / 98 mi)
- St. Gallen–Altenrhein → Davos
1.5 hours (117 km / 73 mi)

Good to Know

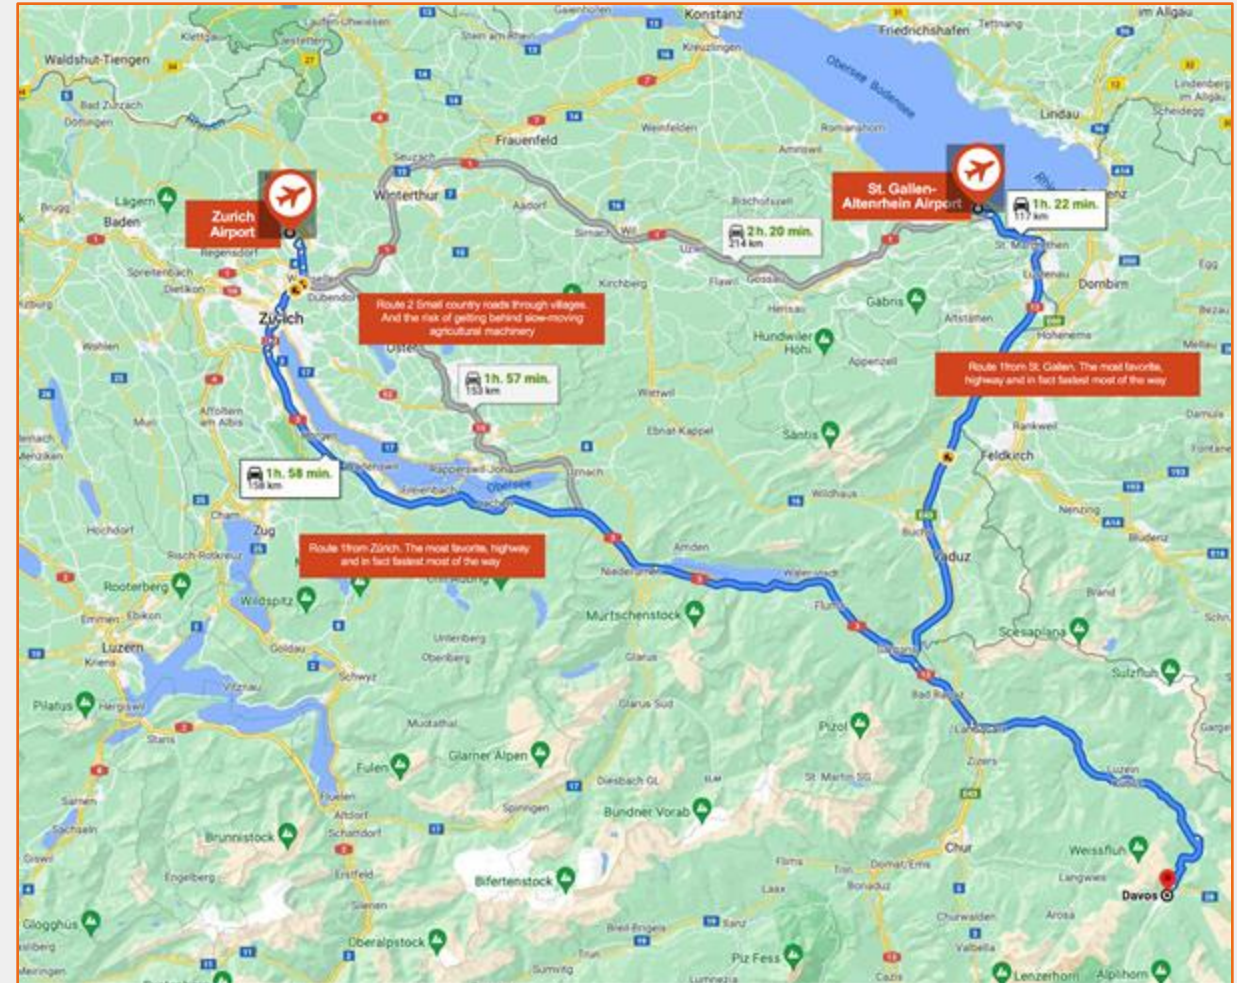

Licensing & insurance

Winter conditions

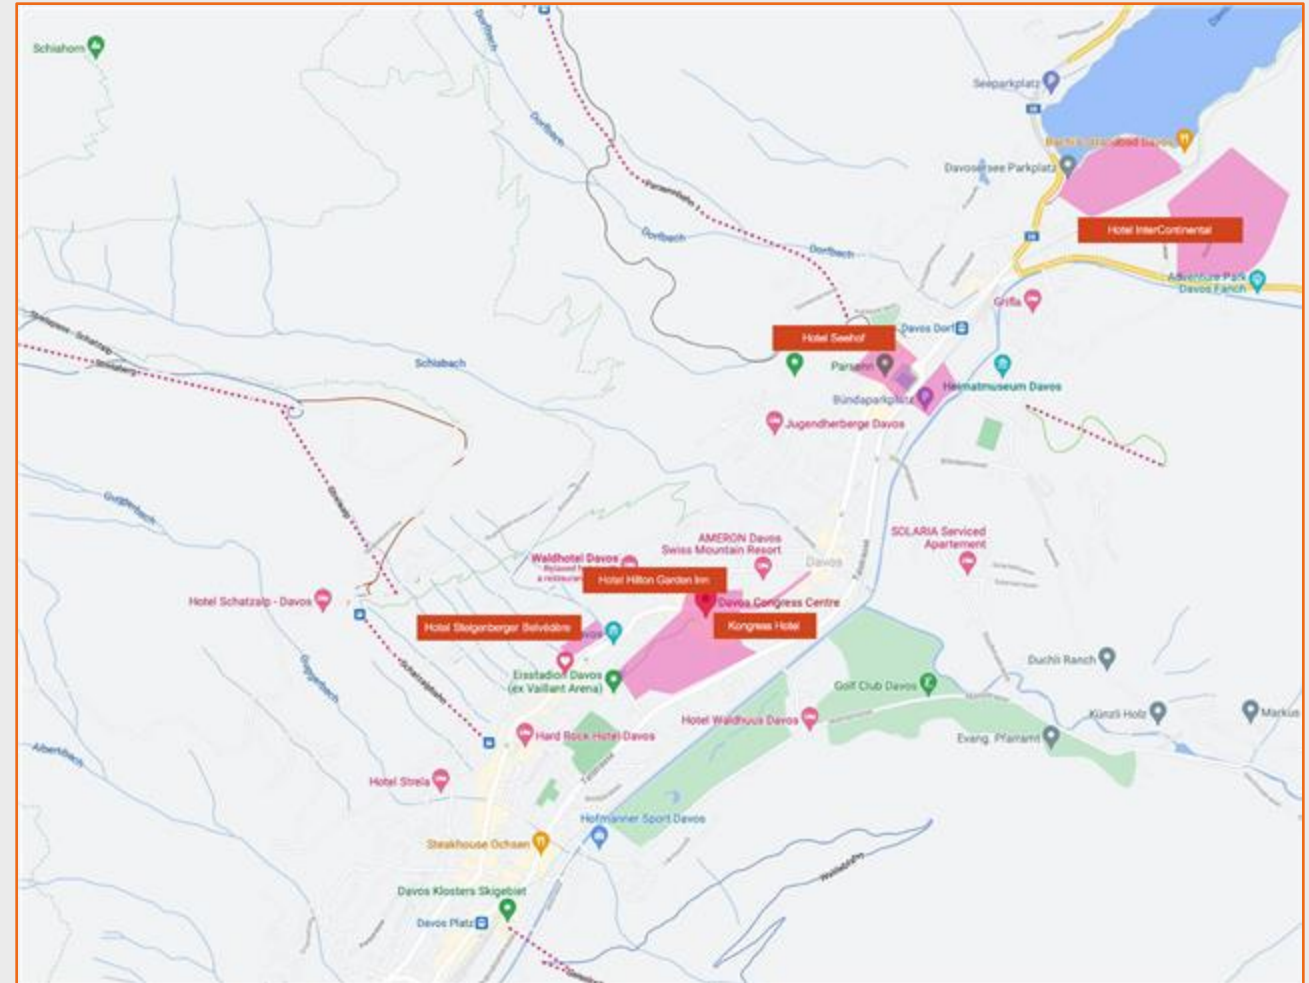

Expressway permit

- WEF Shuttle: known to work well.
- Chauffeured vehicle: flexibility, privacy and efficiency.

Chauffeured vehicles with local permits have designated staging areas and drop-off points.

8 QUESTIONS

WHEN CHOOSING YOUR DAVOS GROUND TRANSPORTATION PARTNER

1. Insurance coverage

Are vehicles and passengers fully and appropriately insured in Switzerland?

2. Regulatory compliance

Are your vehicles compliant with local licensing requirements?

3. Driver qualifications

Are the drivers experienced, multilingual, familiar with Davos and compliant with Swiss drive-rest regulations?

4. Operational readiness

Is your fleet based locally and equipped to operate effectively under WEF traffic restrictions and winter conditions?

5. Coordination

How are real-time coordination and communication managed during route changes or delays?

6. Flexibility

Can transportation be arranged only for selected days or trips, or must it be booked for the full duration of the event?

7. Contingency planning

Do you maintain backup vehicles and drivers in case of breakdowns, delays, or last-minute changes?

8. Health and hygiene

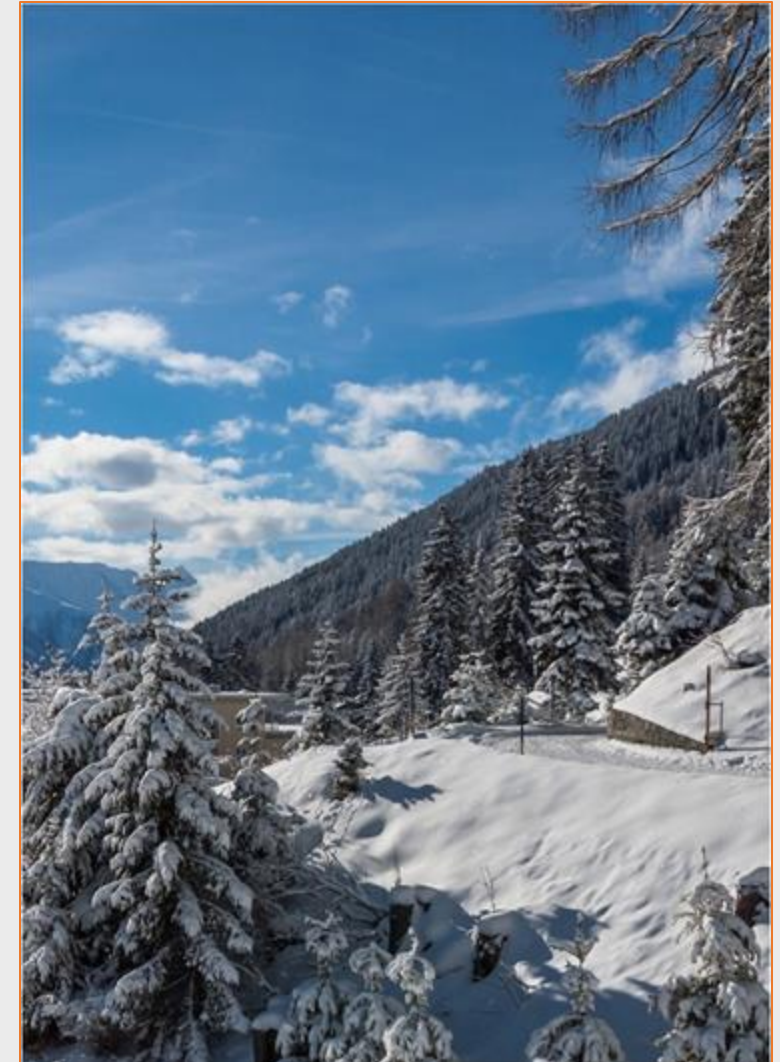

Are vehicles and drivers prepared to maintain elevated hygiene and sanitation standards during the winter and flu season?

CHOOSING A GROUND TRANSPORTATION PARTNER

- WEF participant overwhelmingly rely on local partners.
- Among local partners, the real difference is in safety awareness, confidentiality, and operational coordination standards.
